

Embroidery Ribbon with Granny-Square-Crochet Style

It's a kind of chemical lace embroidery ribbon, which imitate the granny square crochet style. Using polyester-cotton embroidery thread to embroider on the water-soluble non-woven fabric, then dissolve the non-woven fabric by hot water, leaving the 3D embroidery patterns.

It's eco-friendly, soft, colorful, vivid. The width, color and pattern can be customized.

It can be crocheted together for bags, tops, blankets, cardigans, scarves, and dresses.

Suitable for Turkey and Europe markets.
