

Half Fleece Terry Socks

Material: Polyester + spandex

Pattern: Solid color, yarn-dyed, jacquard, embroidery..., the color and pattern can be customized.

Size: Available in ankle socks, short socks, stocking, etc. Socks for baby, children, adult have all sizes.

Feature:

1. Inside of the socks are flat, outside of the socks are fluffy fleece terry. The socks are skin-friendly, soft, delicate and thick, warm and have excellent cold resistance, high color fastness comfortable to wear in winter.
2. Socks welt has high elasticity and not fall off or loose. Flat stitched sock toe, no constricting feeling. The anti-break design of the sock heel makes the socks stronger and durable for longer service life.
3. Anti-skid socks sole design, safe and practical to wear.
4. Various styles and rich colors, socks with holiday elements such as Christmas and Halloween.

Usage: Warm socks for winter, can be worn at home as floor socks or in snow boots for extra warmth.
