

## Metallic Eyelash Fancy Yarn

It's made of polyester and PET flat metallic yarn, it has good luster, fluffy and soft hand feel, sparkle effect. Less shedding than other fluffy yarns.

Feature: Rich color, high tenacity, less breakages, non-knot, anti-pilling, not easy to fade.

- Multi-colors to choose
- Soft and skin-friendly
- Sparkle bright color, not-fading
- Eco-friendly and durable

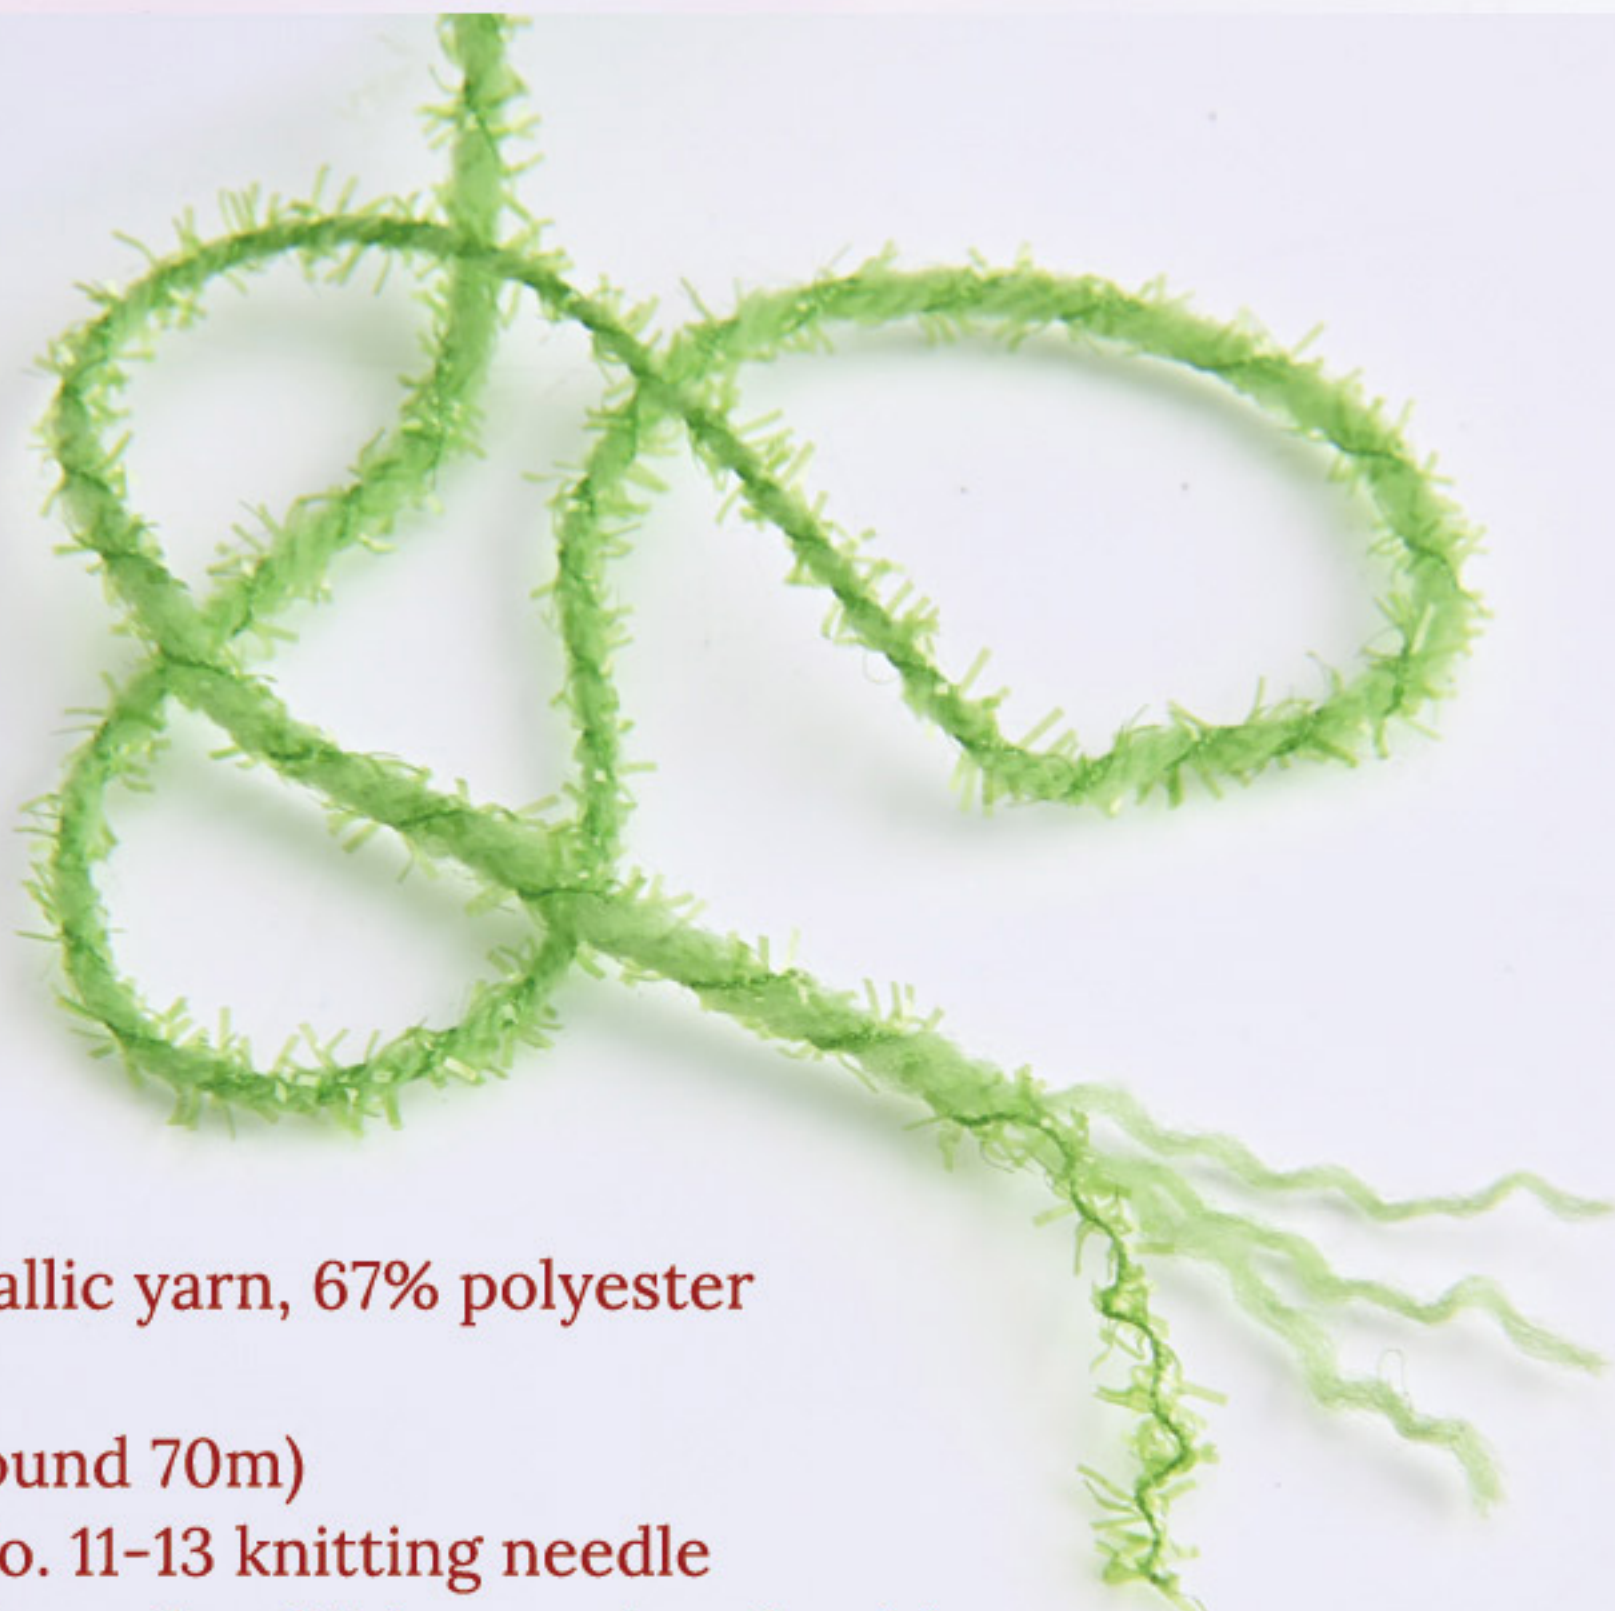

Application: It has good warmth for knitting or crocheting sweaters, hats, scarves, socks, gloves, DIY, Handicrafts, etc.

Metallic eyelash yarn can also be twisted with other yarn to form a special style of blended yarn, which has both the plumpness of wool and the shine sparkle effect of metallic yarn, perfect for DIY knitting.
